School Name: WYNDHAM COLLEGE

STW Coordinator: JULIE SMITH

	School Initiative
Key Result Area connection (background)	• Smooth transition of Year 12 students into the workforce and /or further training
Initiative outline	To provide students a smooth transition from school into the workforce and /or further training **Program 1** • Exit Interviews. All Year 12 students (300+) are invited to attend a transition planning interview one on one with a Careers Adviser • Casual relief is used to employ a Career Adviser to aide in this process. As per usual this year approximately 94% of all students attended this interview. **Program 2** • Post school destination surveys and careers assistance. • All year 12 are contacted by email or phone to seek post destination information and also to give further career advice if required. SASS staff and a Careers Adviser to aide in the is process are employed
Who supports and organises implementation?	• Careers Adviser
Highlight student and/or school outcomes	• Greater awareness of post school options
2008 Enhancements	• Introduction of Seminars to assist the school to work transition
2008 Financial allocation being applied for (budget)	**Program 1** • 4 days relief @ $292 = $1168.00 **Program 2** • 4 days relief @ $292= $1168.00 **total $2336.00**
